

ATHLETICS

The Office of Recreation utilizes its athletic programs to foster the development of character, commitment and social skills while encouraging healthy lifestyles among youth, adults and Seniors. Athletic activities during the Fall season include: soccer, tennis, basketball, cheerleading, swimming and softball.

Fall Athletic Programs

YOUTH

Sports Series Program

For the 2011-2012 Fall Season, The Office of Recreation has introduced a mandatory tutorial program for all youth athletes called Sports Series. Prior to participation in any athletic program, youth must complete the 2 week Sports Series Curriculum which teaches math through sports and introduces various sports careers via math and science workshops.
